

**The project “Development of the assessment on effectiveness of investigations in relation to cases of ill-treatment”**

Human Rights Action (HRA) with the support of the Council of Europe and European Union

*1 December 2017 – 20 February 2018*

**DESCRIPTION OF ACTIVITIES**

The project enabled HRA to carry out research and make analysis on the state of play in relation to effectiveness of investigations of ill-treatment cases in Montenegro.

The analysis concerns the application of the State's obligation to ensure the implementation of effective investigation of torture and ill-treatment (proceeding contrary to Article 3 of the European Convention on Human Rights), in accordance with the European standard.

At the end of the project, HRA will organize a conference in cooperation with the Council of Europe and the Delegation of the European Union to Montenegro, in order to present main findings of the analysis and recommendations.
